

June Newsletter 2014

Dear Parents/Carers,

June 2014 Eco Update

We have been awarded a Green Flag!

As a school, we are very proud of this achievement. The assessor who visited the school was very impressed with all the work the children, led by Mrs Clark, have been doing over the past number of years.

Playground

The children have been told that, due to the space available, football is not permitted in the playground for the time being.

Breakfast Club

We had two visitors from Greggs last week. They were very impressed with our Breakfast Club and the work of our much appreciated volunteers. Greggs will continue to support our breakfast club and would like to see the good practice at Spittal Primary in other schools.

Car Park

The school car park can be used to 'drop off' pupils. However, I would like to ask that all adults take care when driving and parking here. Our priority is the safety of your children. Please use the spaces provided and not the pathways. Disabled spaces should be used by badge holders only.

Crossing the Road

It has been brought to my attention that some children have been running across the road outside the school. Please remind your child about crossing the road carefully.

Staffing

I'm delighted to be able to inform you that Miss Beatts and Miss Fillingham have gained permanent teaching positions. We wish them every success in the future.

The children will get to meet their teachers for next session on Tuesday 24th June.

Dates for your diary

Thank you

I would like to take this opportunity to thank parents and carers who have supported the school during the last four months. I have been very grateful for the kind phone calls and letters received by those of you who want the best for Spittal Primary School. Please do not underestimate how much we value your positive comments and contributions.

Please continue to visit our website for updates.
