

Spittal Primary School

May 2016

Newsletter

Our Vision:

We share, we learn, we grow, we care.

Our Values:

- Supporting all learners to reach their full potential.
- Preparing for lifelong learning
- Including everyone in all we do
- Trusting and being trusted
- Teaching a curriculum for the 21st century
- Aiming high to achieve success
- Learning to live, living to learn

M and M Productions Wizard Of Oz Tuesday 10th May

As a special summertime treat and tying in with last term's literacy week, we have M and M Theatre Group coming to put on a special performance of "The Wizard of Oz". This performance will really bring the book and story to life!!!

This performance is for all children, P1 - P7 and our pre-school children in the nursery.

School Sports - Friday 10th June 9.30 - 11.30 approx.

After the success of last year's sports day, this year's Sports Day will also be a "Potted Sports" event with an Olympic theme. This will take place in our school grounds. The children will be divided into teams of mixed age groups and will have the opportunity to participate in a variety of fun and sporting events. During the morning each team will also have the opportunity to have a juice break and a rest break. There may even be a refreshing treat for all the children at the end of the event!! Although this is a fun event, scores will be kept and there will be prizes for the winning team. Parents and carers are more than welcome to come along and cheer the children on!

P4 Project 3 Music in School

Our Primary 4 class will be participating in an 8 week block of music tuition offered by SLC music instructors. Primary 4 will be having fun whilst developing skills in playing the ukulele.

Summer Trip

This year's whole school and nursery summer trip has been booked for Blair Drummond Safari park, near Stirling for Thursday 16th June 2016. Details about this trip will be sent out soon.

Rag Bag - Textile Recycling Help Raise Funds for Spittal Primary and Nursery Class

We now have a Rag Bag Textile Recycling Bin in our car park - just opposite the dining hall doors. Any unwanted textiles, clothes, paired shoes and belts can be deposited in the bin. Hopefully the bin can then be emptied on a regular basis, helping us raise funds for the benefit of all the children. Please let friends and neighbours know about this recycling opportunity.

Spittal Science Week

Mon 16th - Friday 20th May 2016

The whole school will be focussing on Science for this week and the children will be involved in various activities and challenges around the context of AMAZING FOOD. They will be experimenting, recording and analysing. We are hoping the Science teachers from Stonelaw High will be visiting to work with classes and we also have 2 workshops arranged for P1 - 3 and P4 - 7 being delivered by Glasgow Science Centre - "Bodyworks - The Tour". It will be an exciting week!
