

Before the October break, the children in Primary 5, 6 and 7 were involved in the **Jump 2 It Roadshow**. We had sporting visitors from the world of Basketball, who worked with the children in various workshops - looking at Resilience, Knife Crime, and The Dangers of Smoking. They also had a basketball coaching session from a Glasgow Rocks player. Again the children were complimented on their attitude and behaviour. We were delighted that **Melissa McLelland and Jamie Shovelin in P7** were highlighted as being outstanding participants and both won 4 tickets to a Glasgow Rocks Home Game. The children enjoyed the session and some were showing off some fabulous basketball skills - Well done to all who participated! Our **Primary 6** class will now have weekly Basketball coaching sessions and are looking forward to participating in a Basketball Festival at the Emirates Arena on **Wed.23rd Nov.**

Financial Education Week - All children in the school focussed on Financial Education for a week. We had a variety of visitors working in various classes from Royal Bank of Scotland, Dog's Trust, Lanarkshire Credit Union, Santander and Entrepreneur Me. The children learned lots about money, banks and financial services. One of our visitors from Santander commented, "*A delightful enthusiastic class! I'm amazed at how clued up they are on money and banks! Bright Futures ahead!*"
Remember - Credit Union happens in school every Wednesday!!

Dental Health Talks

All classes have received a visit from our NHS Dental Health Nurse over the last few weeks - highlighting the importance of effective toothbrushing and looking after your teeth. We will continue to offer the children the opportunity to brush their teeth after

lunch each day.

It was lovely to hear how impressed our visitor was with the children's behaviour and positive attitudes during her visit. Well Done!
