

Car Park.

As the summer weather turns to the cooler, wetter weather and more people choose to bring the car to school, the car park can become quite congested, especially at 3pm - this can be potentially dangerous for all users. Can I remind all car park users to be considerate of others and to **think of the safety of the children**. Please park in available allocated bays and use the Drop Off Zone for dropping off only. Cars should not be parked on grass verges or double parked. Disabled car spaces are for those with Blue Badges only. As always the janitor will monitor the car park and with safety in mind will ask anyone who is parked inappropriately to move. Thank you for your consideration.

Hot Chocolate Homework Club

Just a reminder that our Parent/ Child Drop In Homework Club is on every Monday 3pm, starting as of Monday 28th August. All children are welcome to bring a parent to homework club where a teacher will be on hand to help with any homework issues. A great opportunity to get the week's homework done in a stress free way!

Healthy Snacks

In line with the work we are doing in school with regards to Health and Wellbeing, we are trying to encourage the children to bring a healthy snack for playtime. Unfortunately at the moment many of the children are bringing snacks and fizzy drinks which are very high in sugar. A piece of fruit or a packet of crisps is a healthier alternative. Please support us by encouraging your child to make healthy choices at playtime

Attendance and Time Keeping.

Good attendance at school is vital for your child to reach their full potential. If they are not at school, they are missing valuable learning experiences. Punctuality is also crucial as every minute in school is "Learning Time". Please try to get your child here on time to come into school with their line at 9.00am. If your child is late, they will be able to come into the school via their class door up until 9.05am. After this time they will have to sign in at the School Office. Late coming is very disruptive to the other learners in the class. We appreciate your support with this. ***A wee five minutes late every day adds up to over 16 hours of missed learning over a school year!***

Primary 3/ 4 will be hosting a **McMillan Coffee Morning** for parents on Friday 29th September.

Look out for the Flyers and Posters the children will be making for more info.

There will be a dress as you please day this day for the children - £1 donation for McMillan cancer Charity.
