Dear Parents/Carers

Thank you to those of you who were able to come along to our Sharing The Learning event on Friday 3rd May. The children all enjoyed presenting to you their experiences of Financial Education during our recent Money Week. We hope you enjoyed watching our review of the year in pictures. These will soon be uploaded onto the school website.

This week we are having our annual Spring Clean day on Wednesday 15th May. During this day all classes, including the Nursery will participate in litter picking in and around our school grounds. Primary 3/4 will be litter picking in Castlemilk Park in the morning. During Assembly tomorrow the Eco Group will provide a demonstration to remind everyone how to pick litter safely-litter pickers, bags and tabards will be available for all classes to use.

The Junior Road Safety Officers will also provide an input at tomorrow's Assembly. They will be promoting National Walk to School Week (Monday 20th-Friday 24th May. They will also be highlighting important road safety messages especially in relation to crossing roads safely.

Parent Council

The Parent Council have been very busy recently applying for a number of funds for our school. We are delighted to hear that they have successfully achieved an Awards for All grant, from the Big Lottery Fund, for the sum of £10 000! This will be put towards purchasing some fantastic large outdoor play equipment for the playground. They have also secured funding for an after school Guitar Club for next year's Primary 5 pupils. We are very grateful to the parent Council for taking the time to apply for and receive these funds.
